

FROM HURT TO HOPE

CONTROL CHRONIC PAIN

“Is there any hope for me?”

“I’m so tired of feeling this way.”

“Who has answers?”

The 5 part workshop that radically changes the game against chronic pain

- Learn **5 secrets of chronic pain** your doctor doesn't tell you
- **Take control** with scientifically proven **methods to use at home**
- Design a **personalized plan** for healing and **pain management**

In my 25 year of specializing in trauma and chronic pain, I found interactive group learning to be amazingly effective in empowering people to improve their lives.

I urge you to stop suffering and learn these techniques and experience your own breakthrough. I can't wait to meet you.
